

CENTRAL COMPRESS WILL BE FIRED UP TOMORROW; IS NOW READY FOR WORK

The new Central compress owned by the Atlantic Compress Company which has been built in six weeks, will press its first cotton after fire has been started in the huge furnace tomorrow and the engine turns on the steam.

Taking the place of the old building which was struck by lightning and destroyed by fire July 15th the new structure is in every way modern and reflects much credit on its builders who have worked tirelessly to finish the job in record breaking time.

Already 5,000 bales of cotton are stored in the building which is 100 feet long and 152 feet wide not counting a nearby addition which is 80 by 160 feet. It is evident that the total capacity of the new building is 8,000 bales of cotton. There are one hundred thousand square feet of the main building. The office of the structure is not in any way inappropriate, although the furniture has not yet been installed.

Makes Record

In the installation of the press which has a capacity of 100 bales per hour, J. H. Wilson, erecting engineer for the company, has made a record to fast work he having received the last car of material for the press Friday afternoon at 6:00 o'clock which had to be put up first. The press would have been

ready for operation earlier had there not been a work's delay in a foundry at Birmingham where the press was built. This delay was due to a break down.

The compress has been rebuilt at a cost of approximately \$80,000 and everything is now except the boilers which have been overhauled. They were not damaged very much in the big fire which destroyed the old plant.

On top of the building five ply climatic roofing in solid white has been used, this work has been under the direction of H. M. Stewart of Little Rock, Ark. W. Anderson of Little Rock, Ark. had charge of the construction work. H. M. Stewart, roofing, H. M. Hammond, Columbus, Ga. assisted Mr. Anderson. W. T. Culver, resident engineer, will shortly install the wiring system. J. W. Burrell is clerk, and C. B. White, chairman.

Resident Manager J. A. Ward feels greatly pleased over the splendid building which has been made. Local officials, said Manager W. W. Robinson of Atlanta, has in every way possible assisted in rushing the work to completion.

The officials are well pleased over the excellent lumber use which was furnished by the Sherman-Spinn Lumber Company. The orders having been filled in a remarkably short time.

"TANK" IS SHOT ACCIDENTALLY

Eddie Ware, a negro, better known as "Tank" and popular with many of the younger men of the city, was shot through the right breast last night about 7 o'clock at Frogtown and killed. The shooting is supposed to have been accidental, it being claimed that a revolver in the hands of Tom Eldridge, negro, was discharged unintentionally and with out warning the bullet striking "Tank" just below the right nipple.

A physician was rushed to the scene but there was no chance to save the life of the man, who is supposed to have died immediately after the discharge of the revolver.

Sheriff John A. May arrested Tom Eldridge on a charge of murder and Ed Smith, another negro is being held on a charge of carrying a concealed pistol. It is supposed that the Sheriff means to probe the shooting thoroughly.

"Tank" was a unique character. He knew a great many of the younger white men in town and did errands for them always being obliging. To members of his race he was a "sport," but to white people he was humble. He was a "white folks' negro."

GOOD-BYE, SUMMER

Yesterday, over the western hills, the summer sun went down. The season which three months ago we hailed as the "good old time" has crystallized into a memory, a memory that glorifies with the compelling touch of ends attained and hopes achieved, or strive and blisters under the scourge of failure.

It came out of the eastern dawn—this dead-and-gone summer—with roses and bird song, laughter and love, and it slipped over the western horizon empty-handed, for, one by one, it had dropped its treasures as it journeyed. And some of us caught the roses, and some the thorns, and some learned the bird-song and some held the empty nest. Some of us saw it go without regret—nay, even with relief; and some of us held yearningly and tenaciously to its last golden hours; some of us will cover its exit with the bliss of gladness, and some will hide its footprints under the run of broken hearts.

All that is left of it now is the paling glow of the aftermath, the reflected radiance of what was so recently a splendor of sunshine and rainbow-tinted blossoms. Inpartially it gave of its warmth, its color, its perfume, its purple vintage; but with an all too uneven balance did it weigh its favors of joy and hope and happiness. But what is done, is done; and whether we have bound up full sheaves of its golden grain or been only gleaners in the rilled fields, we look back today and say, with that touch of sadness that always comes with finality: "Good-bye, old summer time, good-bye."

THE EVENING FAD

Time was that when my day was done

The evening was a time for rest,
I puffed my pipe and watched the sun

In glory sinking in the west.
I knew contentment that was real
But now when finished is the meal

She drags me to a picture show.

No more the splendid hour of peace

That once I knew I now possess
When all my daily struggles cease

There is no balm of happiness
Refreshing, cool, to soothe my brow,

No restful hour that I may know,
For when we've finished dinner now

She drags me to a picture show

Each evening I must sit and see
The widow's little baby die;

Must gaze on acts of villainy;
The soldiers put to death a spy,

A dam destroyed by dynamite,
Which springs from her a frightened "Oh!"

And every other dreadful sight
That constitute a picture show.

I've gazed on Farmum's early locks

Until I wish that he were bald,
I've seen the selfsame pile of rocks

By every mountain title called.
I've seen him lick a dozen men

In combat with a single blow,
But after supper, once again

She drags me to a picture show.

Oh, for the woman that I once knew
Before the picture craze began

When her daily tasks were done
There was no place to take a

And watch the people come and go,

But now—I'll bet again tonight
She'll drag me to a picture show.

The happiest of juvenile parties was given Saturday afternoon, when Mrs. Ellis Baker entertained a number of little folks in honor of her daughter's fourth birthday.

All games known to childhood were indulged in during the afternoon, and at dusk the guests were invited into the dining room, which was very prettily decorated in streamers of yellow and white crepe paper. Here candies and ice cream cones were served, and tiny baskets filled with salted peanuts given as souvenirs.

IF BACK HURTS

BEGIN ON SALTS

Flush Your Kidneys Occasionally If You Eat Meat Regularly.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from

MUSIC AS A CURE FOR CRIME

MRS. CLARA MANNES

New York, Sept. 18.—Many suggestions have been given as first aid to the gang spirit in the crowded sections of the great cities, but Mrs. Clara Mannes and her husband, David Mannes, have stoutly maintained that music, inculcated early in the hearts of the kiddies will do what other more strenuous and less artistic methods of correction have failed to do. Sing instead of spunk is the Mannes motto.

To this end they worked for fifteen years among the children on the East Side and established the East Side Music Settlement.

"The mother of today should sing her baby to sleep," says Mrs. Mannes. "You can't start too young."

The Mannes's are now able to give up their work in the settlement, having established it on a firm and permanent basis. This fall they contemplate giving a series of concerts and much of their work will be for the benefit of the music schools they founded.

any reliable pharmacy and take a tablespoon in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

Temperance

(Conducted by the National Woman's Christian Temperance Union)

WAR AGAINST ALCOHOL.

"Get on the water wagon!" is now the slogan of the New York health department. Its head, Dr. Sigismund M. Goldwater, says that "anything which affects the health of the people of a city is a subject of concern to the health officials," and in accordance with this view he has declared war on liquor. "It is nonsense," he says, "to go on fighting disease and crime if we don't do something to abolish the chief factor in causation. There are too many people sick from liquor in New York city—that's enough for me. . . . I want it understood that this is to be a real fight. It is not enough to make occasional deprecatory mention of alcohol and its results; we must have a definite anti-alcohol program. The work of the health department in this field will henceforth be systematic, aggressive and unrelenting." Every means of publicity will be utilized in this campaign. It will be spectacular and in the vernacular, the rich man's champagne and highballs, as well as the poor man's "third rail" whisky and beer, will be the object of attack.

For months the New York state board of health has been giving out to the press of the state, under the title "Health Hints," strong statements concerning the injurious effects of alcohol. Therefore the action now taken by the New York city board is not a great surprise. It is being warmly commended by members of the medical profession, and without doubt health officials of other cities will follow the lead.

CHICAGO GOING DRY.

Billy Sunday's message to Chicago to the effect that "Batter Boozie has three balls and two strikes called on him," prompted Chicago Tribune to interview some of the downtown saloonkeepers. This what one oldtimer said:

"Three balls and two strikes isn't putting it strong enough. The bat's half swung on the third strike now, way over the ball. You can go from one end of the loop to the other and see a crooked one, and you won't find a single saloonkeeper making money. In some where between three and five years this town's going to be dry as Evanston. The women are going to do it, and I don't much blame them. It's the women the thing's lit. Who suffers when a 'good fellow' makes \$18 a week, shows his sporting blood by spending four or five of it over the bar on pay day? Say, it's a tragedy for that woman! So, what's she going to do? Just stop it, put her foot down and her vote down. Three balls and two strikes, eh? You can just call that third strike now."

"There's no doubt about it," said another, "Chicago is going dry. We all know that, and so far as we are concerned down here in the loop, it might as well be dry now."

DO IT ALONE.

The Rotary club of Manchester, England, recently gave a dinner at midday to Harry Lauder, the comedian. A Scottish menu was served in his honor, the haggis figuring prominently. The "Cock o' the North" was duly played by a piper and on the table were beer, wine and spirits.

Said Harry to his hosts: "We, as Rotarians, meet as a business proposition in the middle of the day, when drink is not necessary. You may take one, two or three and go back to business 'muzzey.' You can't do your business if you are in a state of 'muzziness.' When you have finished you can drink as much as you like but do it alone. If you are going to hell, go by yourself; don't drag anyone with you. I have gone into clubs—not often, thank God—and seen a fellow come in when every other place was closed. He was regarded as a jolly good fellow, and everybody clapped him on the back and laughed. Did his people at home laugh?"

PROHIBITION PROHIBITS.

Incidentally, one of the interesting results of the prohibition sweep which is causing comment here is indicated by the New York stock market reports, says a Washington (D. C.) correspondent. About ten months ago the shares of the Distillers Securities company were quoted around nineteen and twenty—and on one occasion twenty-two. Then they tobogganed down to fourteen, fluctuated there a short time, and took other drops, until they were quoted two and a half and five and a half. This is the lowest record ever reached, and is credited to the fact that many distilleries in the dry and prospectively dry states have gone into voluntary liquidation, while in Ohio and Illinois many brewery companies have been placed in the hands of receivers.

CALOMEL WHEN BILIOUS? NO! STOP! 'MAKES YOU SICK' AND SALIVATES

"Dodd's Liver Tonic" is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crumbles into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodd's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodd's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodd's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodd's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodd's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like it.
